### Christmas is coming!!

There may be less than 2 months before the big day, but there's still time to get your quilts quilted here! Bring 'em on in!

### Classes -

Our Square in a Square class is full, but there are still openings in

Value vs. Color (Nov 11, 10-12:30 or 6-8:30)

Long Arm Quilt Retreat (Nov 12-13-14)

### New fabric -

UPS and FedEx both stopped in today with lots of boxes:  
Nikki by P&B - Fresh colors and florals in green, purple, teal and gold

Moroccan Spice by P&B - Paisleys and small prints in warm green, brown and paprika

A rainbow of 37 beautiful solids by Carolina Cloth - I didn't think solids could be so pretty! Even some to coordinate with 30's fabrics!

Another beautiful almost-new group that recently slid in with not enough fanfare: Ro Gregg/Northcott's Flight of the Dancing Cranes: An Asian inspired group in luscious teal, rose, green and gold, with lots of gilding on it.

We have done a little rearranging, and built a couple of walls, to better organize our patterns, books and rulers - it looks so much nicer!

Our First Thursday Quilt Group meets this Thursday, 6:30-8:30pm, come join us! All welcome! Show and tell, demos, inspiration and fun!

Come on in and check it all out!
