

January News from Red Hen Fabrics

There's lots going on at Red Hen this month, so take a deep breath, sit down and read on!!

Block of the Month Programs

Block of the Month 2009 - All of the last installments for both programs are ready for pickup! The finishing kits are ready for the red/black/yellow basket quilt, and the tops are on display!

2010 Block of the Month programs begin January 23!

We will be offering 3 choices this year -

-Our regular sampler style blocks in a salmon pink and teal blue - we are designing an asymmetrical setting, and you can take a look at the quilt in progress now!

-Back to Nature - From the same designers who brought us the beautiful Queen and her Court in 2009 -It comes in either blue/green/red leaves and pinecones, OR red/green batiks. The print fabric just came in, and it is just gorgeous! The batiks will arrive in February. This will be \$20 per month, at the end of the year you will have all the fabric for the top and the binding.

You can see it online at: www.wingandaprayerdesign.com/BackToNature.htm

The "Housework Whenever" fabric was finally reprinted and the bolts are here
